

Request for Partnership

WHO: Achievement Centers for Children & Families (ACCF) partnering with **Lang Realty**, for the Greater Boca Raton Chamber of Commerce Annual Boca Chamber Festival Days (BCFD)

WHAT: BCFD is the Boca Chamber's annual outreach to the non-profit community. Non-profit Chamber Members join forces with for-profit Chamber Members to hold events during August. The goal: to raise awareness and funds for the non-profit member's philanthropic efforts all month long.

The Boca Chamber helps facilitate and promote these events that are created for, and run by, the pairing of non-profit and for-profit Chamber Members during their specific BCFD event.

WHEN/WHERE: The First Annual How to Build the Perfect Charcuterie Board

Wednesday, August 24, 2022, 7 p.m. at the Farmer's Table at The Wyndham Boca

Event Tickets: \$75.00, include two complimentary beverages, light bites, an ACCF-branded apron, & to-go containers for board contents

WHY: ACCF provides services, education, support and interventions that are embedded within the structure of its Early Learning Program (EL), ages 1-5; and out of school programs, ages 5 and up. We provide a family-focused, relationship-based model to improve long-term outcomes for low-income children and families. Participating youth and adults receive behavioral health consultations & trainings, linkages & referrals for services, and case management services, in addition to many other benefits.

Funds raised and received from this BCFD event will go directly toward supporting ACCF in several ways. Our efforts to continue prioritizing social and emotional wellness for our children and families as well as bolstering Family Support services, which have become more critical in the last couple of years. Covid-19 and the past two years have shone a light on the health disparities among vulnerable populations. Our efforts to combat the social, health and economic conditions in the neighborhood that threaten the success of our children and their families are critical. This has resulted in increased staff training, and hiring a Director of Social and Emotional Wellness as the head of ACCF's Family Support team.

We are also working to strengthen our STEAM (Science Technology Engineering Arts Mathematics) curriculum, helping our students to study creatively. By using problem-based learning methods, our ACCF students can study projects; take thoughtful risks; engage in experiential learning; embrace collaboration; and craft solutions based on real-life examples.

As fellow Boca Chamber Members, this is a wonderful opportunity to expand our meaningful, existing partnership, including community service opportunities for your employees and their families (days of service, homework helpers & tutoring, and event & program-specific volunteering).

HOW: ACCF is requesting a **\$1,300 sponsorship** from Lang Realty, of this BCFD event. The sponsorship will cover BCFD entry fee, and Farmer's Table food and beverage costs. Lang Realty will be the **Presenting Event Sponsor**, which includes: promotion on all ACCF social media & event

555 NW 4th Street Delray Beach, FL 33444
